Dear Thermopolis Citizen:

The Town of Thermopolis is preparing a Town Master Plan to help guide the growth and development of the town and its surrounding area. The plan will include goals, policies, and strategies for tackling many of the issues facing the residents and businesses within the community.

The Town Planning Commission is guiding the preparation of the plan with assistance of city planning consultants Ken Markert of Cody and Anne Cossitt of Park City, Montana. The Town's engineers, attorneys, and codes administrator are also involved.

We hope you will be involved too. Knowing your views is vital to helping us make good decisions about future growth and development. In the next two weeks you will receive a survey in the mail. The survey will ask for your opinions on growth and development of Thermopolis. We respectfully request you to complete the survey and return it to us.

We would be happy to answer any questions you may have about this study. Please contact any of the Planning Commission members or Town Hall at 864-9285.

Your opinions are important to us. Thank you very much for your assistance.

Sincerely,

Town of Thermopolis Planning Commission

John Dorman

Ann Hardesty

Ellen Roden

Dear Thermopolis Citizen:

THE TOWN OF THERMOPOLIS RESPECTFULLY REQUESTS YOUR ASSISTANCE!

Enclosed is the Thermopolis Planning Commission's "Community Planning Survey" concerning growth and development of Thermopolis.

You are one of only about 400 citizens that have been randomly selected to complete this survey. Because of this small number of people, it is very important to have a high number of the surveys completed and returned. Please complete the survey form and return it to us right away.

A postcard with your name on it is also enclosed. We ask that you return this postcard when you send in the survey form. Because the two items are separate, the surveys are completely anonymous. The postcard will be placed in a drawing for a Grand Prize of a dinner for two at a local restaurant.

We would be happy to answer any questions you may have about this project. Please contact any of the Planning Commission members or Town Hall at 864-9285.

Thank you for your time and your cooperation. Your opinions are important to us. Your participation in this effort will help us make good decisions about the future growth and development of Thermopolis.

Sincerely,

Town of Thermopolis Planning Commission

John Dorman

Ann Hardesty

Ellen Roden

Dave Voorhees

[Date]

Dear Thermopolis Citizen:

It's not every day that local government asks for your input before making a major decision.

Last week, the we sent you a survey asking for your opinions on growth and development issues. You are one of only 400 citizens who received the survey.

Your response will help the City make critical planning decisions. Ultimately, your participation will help the City succeed in replacing its the outmoded master plan with a new plan that better prepares us for the future.

Please take the time to complete the survey. The postage is prepaid—you just need to fill out the survey and send it in. Please act right away as responses received over a week from now may not be counted.

Thank you for your help in this effort!

Sincerely,

Town of Thermopolis Planning Commission

John Dorman

Ann Hardesty

Ellen Roden

Dave Voorhees

Kathy Wallingford

P.S. – Send in your postcard and you may win a dinner for two at a local restaurant!
