

THERMOPOLIS TOWN OFFICIALS PLANNING SURVEY

4A master plan is a long-range plan intended to guide the growth and development of a community. A master plan typically includes background studies and analyses that lead to recommendations for the community's future economic development, housing, recreation and open space, transportation, community facilities, and land use. The recommendations should all help achieve the community's goals and objectives. With this in mind, how would you answer the following question?

1. What changes would you like to see in Thermopolis?
2. What would you like to see remain the same in Thermopolis?
3. What are the most important needs in Thermopolis?
4. With regard to the growth and development of Thermopolis, what changes do you expect will happen over the next 10 to 20 years?
5. What goals should Thermopolis have with regard to future growth and development?
