Dear Basin Citizen:

The Town of Basin respectfully requests your assistance. You have been randomly selected to participate in a brief survey about Basin. Please complete the enclosed survey form and return it to us right away.

You are one of only about __ citizens that have been randomly selected to complete this survey. Because of this small number of people, it is very important to have a high number of the surveys completed and returned.

To show our appreciation for your time, we will have two raffle drawings, each for a \$50 fuel card. Included with your survey is a double raffle ticket. To enter the raffle, tear off one ticket, send it in with your completed survey, and keep the other ticket.

Please be assured the survey is completely anonymous — the survey does not include any means of identifying the person completing the survey.

We would be happy to answer any questions you may have about this project. Please contact any of the Master Plan Committee members or Town Hall at 568-3331.

Thank you for your time and your cooperation. Your opinions are important to us. Your participation in this effort will help us make better decisions about the future growth and development of Basin.

Sincerely,

Town of Basin Master Plan Committee
