### *2011 Master Plan Survey*

**Dear Basin Citizen,**

Recently, we sent you a survey asking for your opinions on issues in Basin. If you have already returned your survey, thank you!

If you have not yet returned your survey, we need your response. Your response will help Basin better prepare for the future.

Please act right away as responses received over two weeks from now might not be counted. The postage is prepaid—you just need to fill out the survey and send it in.

We would be happy to answer any questions you may have about this survey. Please contact any members of the Basin Master Plan Committee or the Town Hall at 568-3331.

Your opinions are important to us. Thank you very much for your assistance.
